To All Voters of the 15th Judicial District

Re: Judge Susan Theall for Re-election

Dear Voters:

I have practiced law in Lafayette Parish for fifty (50) years. I have known Susan Theall for at least twenty-five (25) years during that time.

In all the years I have known Susan, both as a practicing attorney and as a Judge, I have found her to exhibit the highest ethical standards of our profession. She has treated each and every litigant and opponent with courtesy, kindness and respect. As a District Court Judge, she has great empathy for all litigants, particularly for the children who are caught in the middle in divorce cases.

In short, I would highly recommend the re-election of Susan Theall to her current position as 15th Judicial District Court Judge. The best thing you could say about a Judge is that he or she is "fair and impartial". Those attributes certainly apply to Susan Theall.

I fully endorse Susan Theall for re-election to District Court Judge based upon my personal knowledge and experience but most of all because I know Susan to exhibit the highest standards of our profession. The 15th Judicial District could not do better than to re-elect Susan Theall for District Court Judge.

Written and approved by me.
